To

H. Krishna Iyer Esqr. B.A. B.L.
Dewan Bahadur of
Mysore.

The humble petition of
A. Narayanaswami Mudaliar
Rai Bahadur of Bangalore

Respectfully sheweth.

1. That the petitioner admitted to the late Gidday Muddappa Chetty of Bangalore about Rs 2000/ on the security of the Jodi villages of Ramgiri and other villages together with their out villages or hamlets held by the said Muddappa Chetty on Jodi tenure

2. That the petitioner intended that the profits arising from this transaction should be spent in maintaining certain charities specified below, and that he is still prepared to grant away the whole amount for the said charitable purposes.

3 That owing to the default of the Jobber in paying Candryan the Government attached the said villages and advertised the same for sale with the liability for the first of the purchaser to pay the arrears, and for want of bidders the Government has bought in the villages for a nominal price and your humble petitioner has therefore no

Praised to collect their large
debts due to him

4. If the Government should
be pleased to register your
petitioner in the Pattadar
of the lands that were betai
under the late Poligar and
also be graciously pleased
to recognize him as the holder
of waste lands in the villages,
he ventures to state that such
a proceeding will not only
not be of any Government
but will enable your petitioner
to obtain a partial satisfaction
of a large debt due to him, and
the consideration and generosity
so far shown to his case will
not, it is humbly urged, be
misplaced or out of place.

5. That in as much as the
object of your petitioner in
advancing the Amount to
Galay Gullappa Chetty on the

Security of immovable property
was to advance the interests of
Charity by securing the safety
and prosperity of the Grant
and whatever help you may
be pleased to grant towards
the realization of the said Com
will further the interests of the
said charities, the petitioner
begs to suggest either of the two
following modes that might recom
-mend itself to your benevolen
Consideration for adoption.

(a) That after the realization by the Government of the arrears of Jodi and interest thereon, from the villages they may be granted to the petitioner on the same Jodi tenure and on the same conditions under which they were held by the late Jodidar

(b) Or that he may at once be put in possession

of the villages recovering from
him in a lump sum the balance
of arrears due to Government
after deducting therefrom such
sum as may have been collected
from the ryots since the resump-
-tion.

6th. In connection your petitioner
begs to state that should the
Government be pleased to
accord sanction to either
proposal he would at once
set apart the villages for the main-
tenance of the boys and girls school
now in existence, and in the
support of the orphanage he
intends opening, and entrust
the management of the affairs
of the said charities to a Committee

For which act of kindness
your petitioner shall for ever
